

SOCIAL BRIDGE

For anyone who does not care for the formality and possible stress of duplicate bridge there will be social bridge on Tuesday afternoons from 1:30 to 3:30 starting on October 10. The proposed format will be -

- Deal and play four hands before moving to a different table.
- Vulnerability will be -
hand 1 none vulnerable
hand 2 NS vulnerable
hand 3 EW vulnerable
hand 4 all vulnerable
- Each hand scored separately, usual trick score plus a bonus of 50 for part score; 300 for a non-vulnerable game; 500 for a vulnerable game.

This is for fun. So we can talk, discuss the hands and even ask questions if we wish.

If you have spare cards, please bring them.
